

What is U.P.L.I.F.T?

The acronym stands for Uniting Parents to Lead, Inspire, Foster, and Teach Children of the 21st Century. UPLIFT is a parent involvement effort led by Colleton County School District's Title One Office that offers free workshops and various resources in hopes of helping parents and community members learn what they can do to support their child's academic success.

On October 9, 2010, the following workshop topics will be offered:

- ✓ ADD/ADHD – The rights of a child with ADD/ADHD and behavior modification techniques
- ✓ Basic Computing – Microsoft Word – Learn the basic functions of Microsoft Word
- ✓ Strategies in Reading – Discuss various strategies and techniques to help children learn to read
- ✓ Creating a Photostory Presentation – Learn how to preserve your family memories with a simple digital portfolio
- ✓ Power School for Parents – Learn how to use the new PowerPortal site to get information on your child's academics and attendance
- ✓ English as a Second Language – Build English communication skills

Interested? Curious? Come join us and find out what everyone is talking about! All events will be held at the Colleton County Annex (609 Colleton Loop, Walterboro.) Free childcare will be provided for *school-aged children*. Space is limited, so register soon!

You can check out the topics for the remainder of the year at ccsduplift.weebly.com.

REGISTRATION FORM

Please return this form to your child's school. You may also register online at <http://ccsduplift.weebly.com/registration.html>

Your Name _____ Your Child's School _____
